Disasters Happen—Is Your Business Prepared?

Emergency Preparedness Solutions, LLC (EPS) is a woman-owned private consulting firm specializing in emergency and disaster planning, training, and exercises for private sector, government, and not for profit clients.

EPS provides quality services through individualized experiences, focusing on the unique needs of each individual client by way of expert assessment and evaluation to prepare you for the direct and cascading impacts of naturally occurring and human-caused disasters.

Our goal is to help our clients be better prepared for disasters, resulting in preservation of life and property and minimizing financial impact.

We provide full Business Continuity services including:

- Hazard Vulnerability Analysis (HVA)
- Business Process Analysis (BPA) to determine Essential Functions
- Succession Planning
- Contingency Planning
- Business Operations Center Consulting
- Staff Training
- Readiness Exercises

Be prepared and minimize your business losses in the event of a disaster!

40% of businesses that close after a disaster NEVER reopen
